

APAMI 2022 12TH BIENNIAL CONFERENCE OF THE ASIA PACIFIC ASSOCIATION FOR MEDICAL INFORMATICS

14-16 October

TAMC 社團法人台灣醫學資訊學會
Taiwan Association for Medical Informatics

National Taipei University of Nursing and Health Sciences International Congress, Taipei City, Taiwan

APAMI
2022
CONFERENCE

Call for Papers!!!

Deadline extended to
Aug.20, 2022

Medical Intelligence with Interoperability and Standard

ATTENTION ! !

※ Due to the spread of the novel coronavirus (COVID-19), the conference will also be held ON-SITE as a hybrid event.

Dear Colleagues,

On behalf of Asia-Pacific Association for Medical Informatics (APAMI), it is our great pleasure and privilege in extending you a cordial invitation to participate at the Conference of APAMI 2022 to be held in Taipei, Taiwan on **October 14-16, 2022**. The conference theme is “**Medical Intelligence with Interoperability and Standard**” which WHO has been promoting globally, but we also invite a lot of paper in any field in medical informatics from all over the world.

This conference will provide you an excellent opportunity to establish new relationships with professional colleagues from various nations including the Asia-Pacific region.

We look forward to welcoming you to APAMI 2022 in this fantastic city of **Taipei, Taiwan**.

We also use a **Web conference system** for entire APAMI2022 program in this COVID-19 situation. If you have a difficulty to come up to Taipei city, please join to APAMI2022 from anywhere in the world by on line.

To encourage authors to submit manuscripts for Regular papers and short papers, the scientific program committee will select certain excellent papers to submit to a special issue of **Applied Sciences** (SCI indexed IF : 2.679)(https://www.mdpi.com/journal/applsci/special_issues/APAMI), **BMJ Health & Care Informatics** (<https://informatics.bmj.com>) and **Computer Methods and Programs in Biomedicine** (<https://www.sciencedirect.com/journal/computer-methods-and-programs-in-biomedicine>)

AREA OF INTEREST

- Patient Engagement and Empowerment
- Connected and Digital Health
- Human, Organizational and Social Aspects
- Medical and Healthcare Knowledge Management
- Patient Safety, Care Quality and Clinical Outcomes
- Continuum of Care in Chronic Diseases and Aging Population through Informatics
- Telehealth and Smart Health for the Ageing Population
- Application of Artificial Intelligence in Healthcare, Clinical Practice, Clinical Research Data and Innovations
- Public-Private Partnerships towards UHC and the SDGs
- International Standard for Medical Informatics
- Biobank and Health Big Data Science
- Data Verification & Validation
- Nursing Informatics
- Bio informatics
- Ethical, Legal and Social Studies on Medical Data
- Security and Privacy
- Health Technology Strategy and Blueprint
- Medical Information System Architecture
- Other Topics

IMPORTANT DATES

- Paper Submission Starts (**Apr.1, 2022**)
- Paper Submission Deadline ~~(Jul.30, 2022)~~ (**Aug.20, 2022**)
- Acceptance Notification (**Sep.1, 2022**)
- Early Bird Registration Ends (**Aug.31, 2022**)
- Revision Manuscript Upload Date (**Sep.16, 2022**)
- Regular Registration Ends (**Sep.30, 2022**)
- Late Registration Ends (**Oct.15, 2022**)
